JOINT INSTITUTE
交大密西根学院

Capstone Project:
VMware#1-AR in Data Centers
Kick-off Meeting

Group 21
Shuyi Zhou   Liying Han   Jinglei Xie
Chenyun Tao   Yaxin Chen

University of Michigan – Shanghai Jiao Tong University Joint Institute (UM-SJTU JI)

周舒意 Shuyi Zhou (Sue)

Major：ECE
Skills and languages:
  Swift Python C C++ Javascript Typescript Html Css
  Database Query & API (MySQL MongoDB PostgreSQL)
  Matlab

Related experiences:
- Cooperate with company during exchange
- IOS course final project was AR game
- Develop websites for SJTU PRP and my own interest

陶晨韵 Chenyun Tao

Major：ECE
Skills and languages:
   Python C C++ Javascript Html Css Java R Matlab

Related experiences:
- Developed a simple Android App for SJTU PRP with teammates
- Built a simple website

韩丽颖 Liying Han (Ling)

Major： ECE
Skills and languages:
    Java C C++ Python SQL Matlab
    Graphic Design

Related experiences:
- Developed Image Recognition App based on TensorFlow on Android Platform
- Implemented Embedded Database in Python and Java

陈雅昕 Yaxin Chen (Stella)

Major： ECE
Skills and languages:
    Java C C++ Python SQL R

Related experiences:
- Implemented Breadth First Search with MapReduce
- Built Deep Q Network model for dynamic pricing

谢静蕾 Jinglei Xie (Amy)

Major： ECE

Skills and languages:

C/C++ Matlab Bash Python R Java SQL

Related experiences:

- Course project related to databases and distributed data processing systems
- Develop robot with pattern recognition functions
- Use automated CI tools for program development and testing during internship
